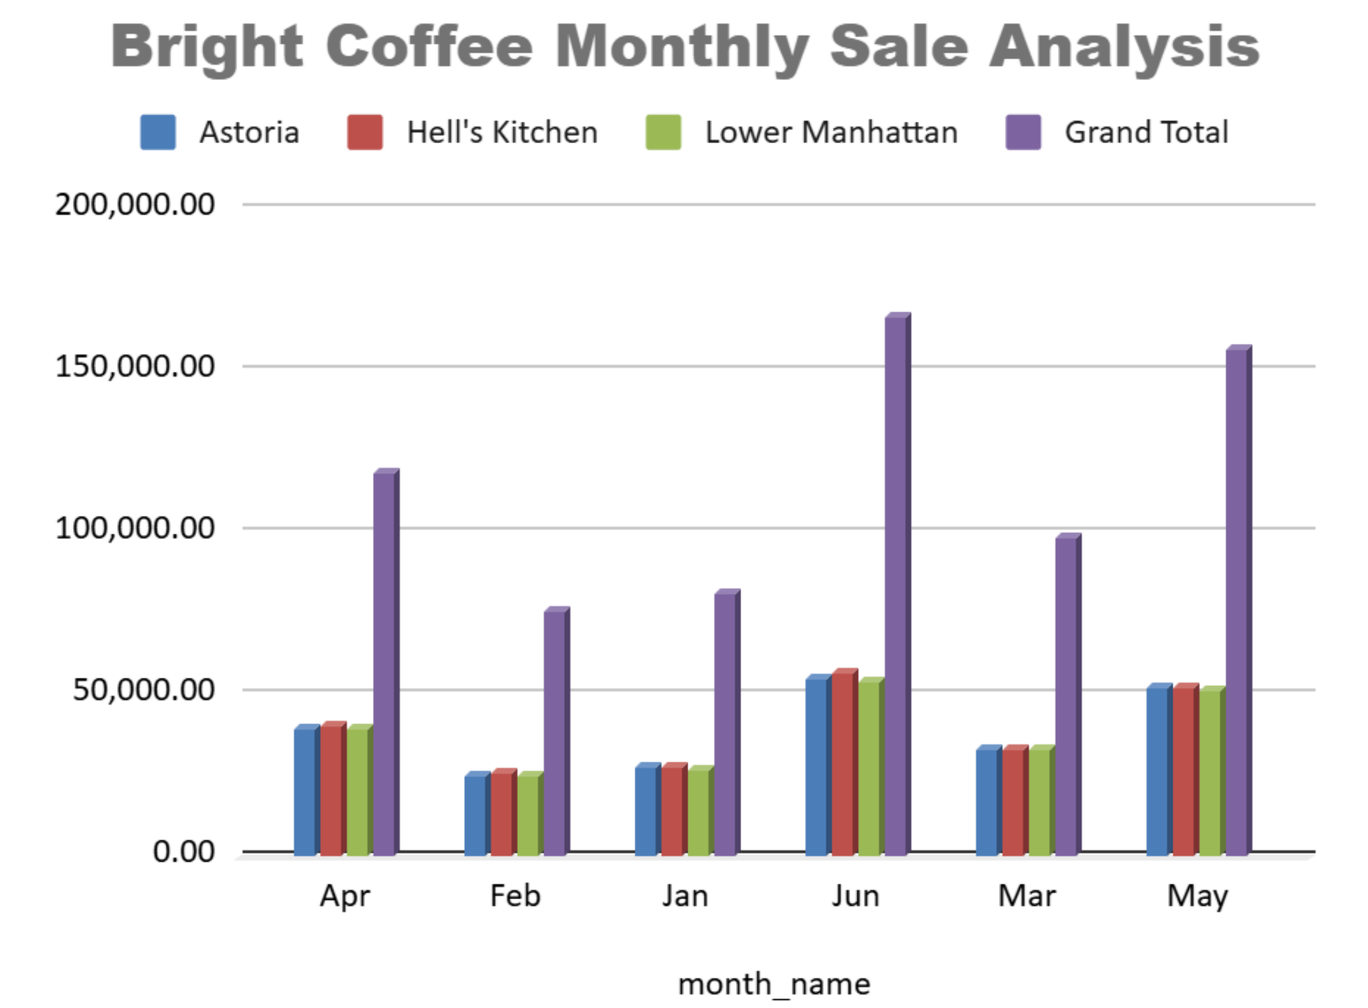
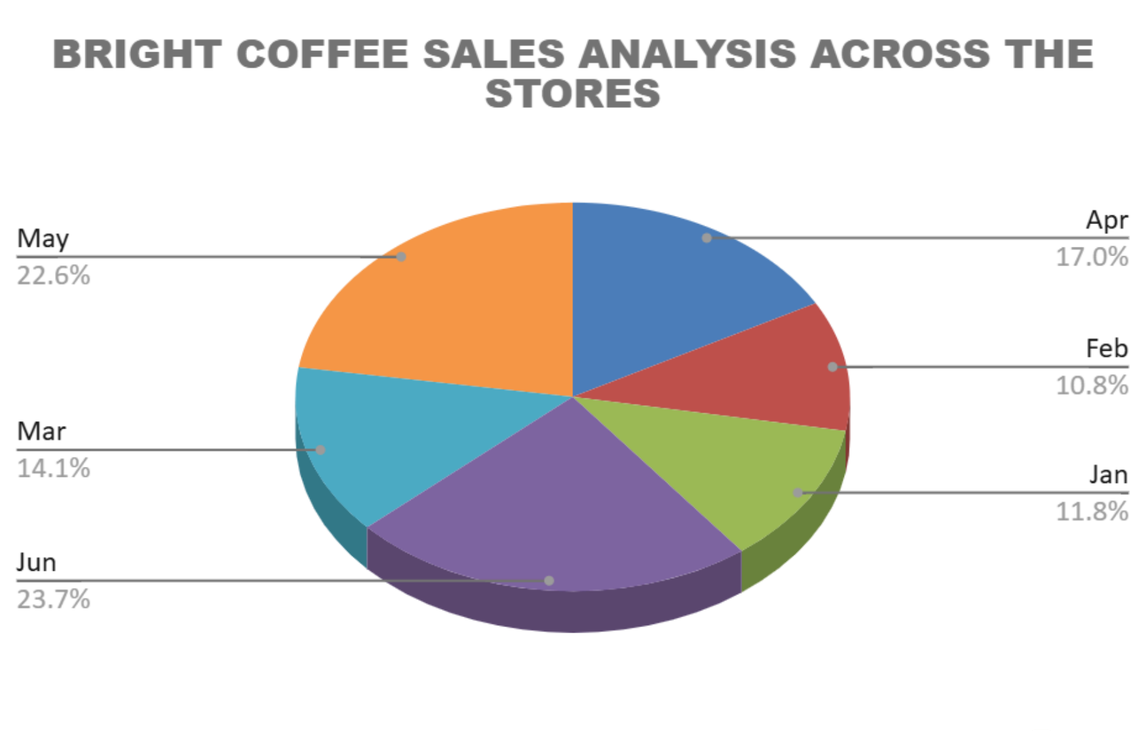
REVENUE ANALYSIS | STORE LOCATION & MONTH

BEANLY BREWS CO

Insights: Sales performance across all stores showed a significant improvement from May into June. This upward trend can be attributed to seasonal changes, which is roughly 51% higher than the usual sales.

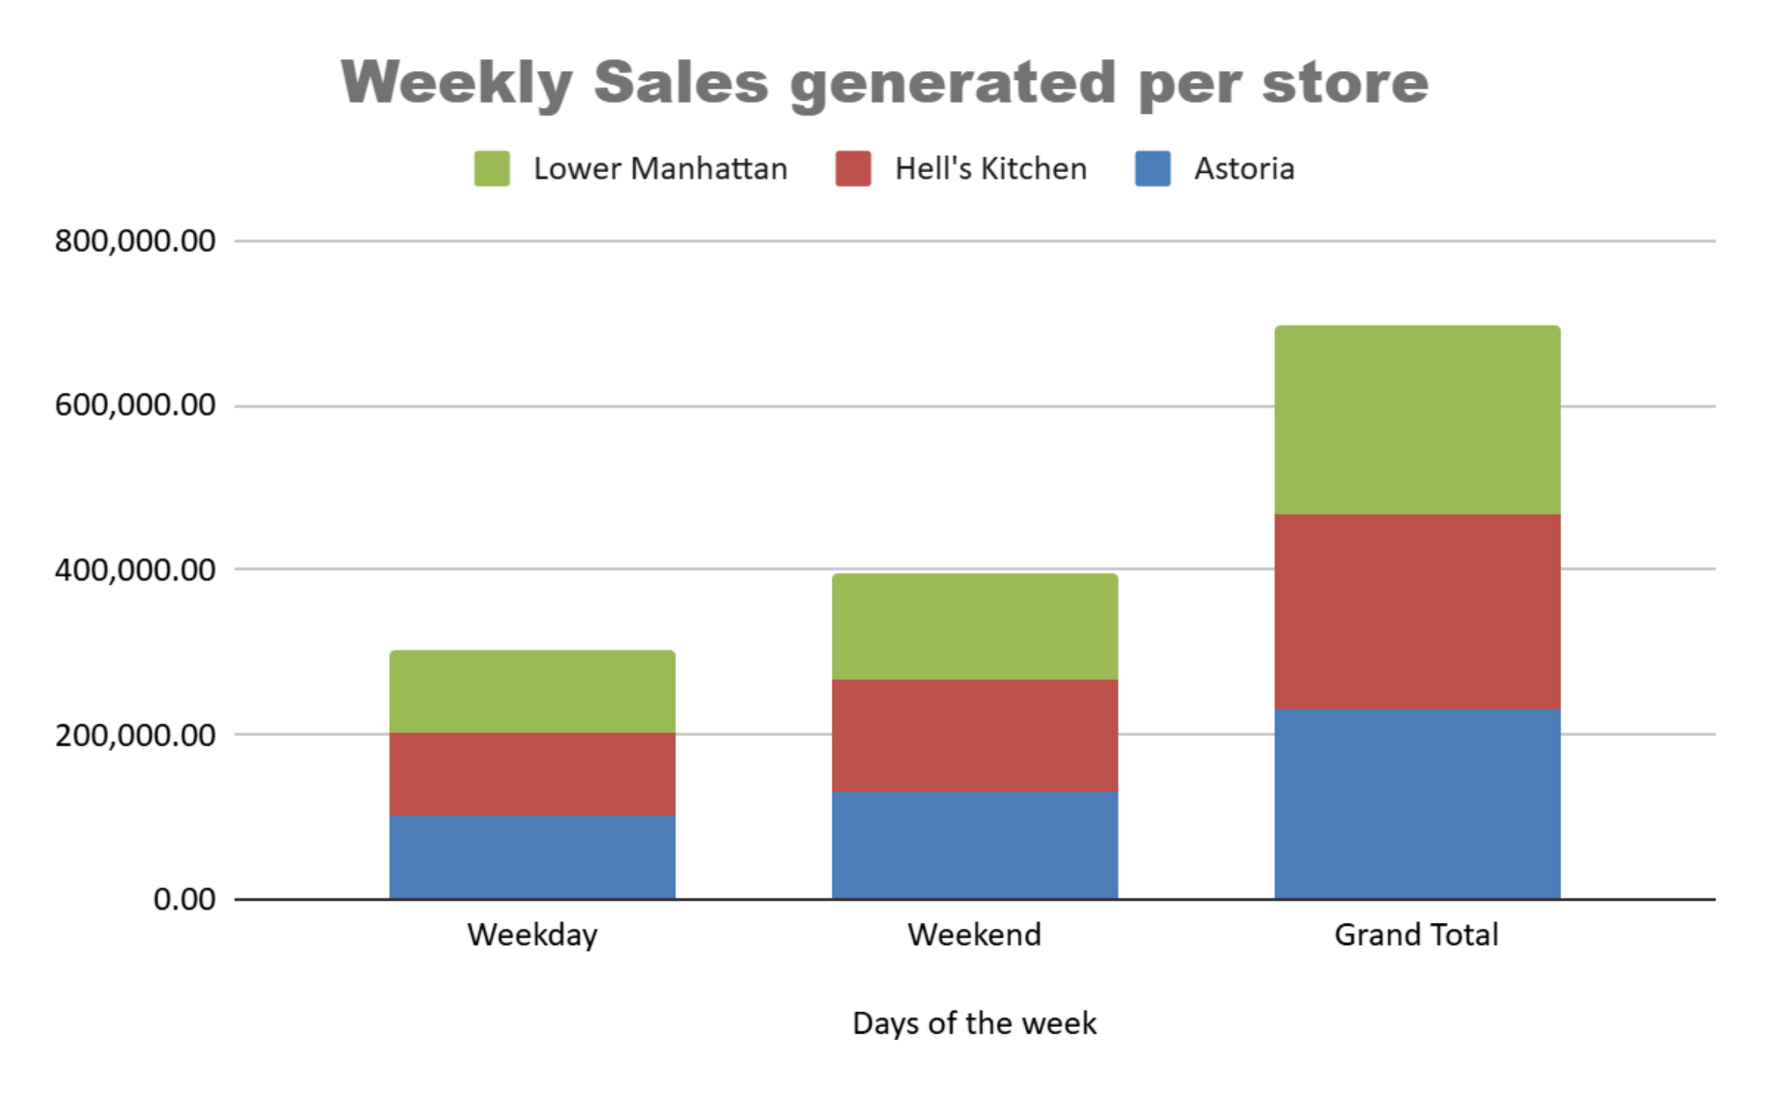




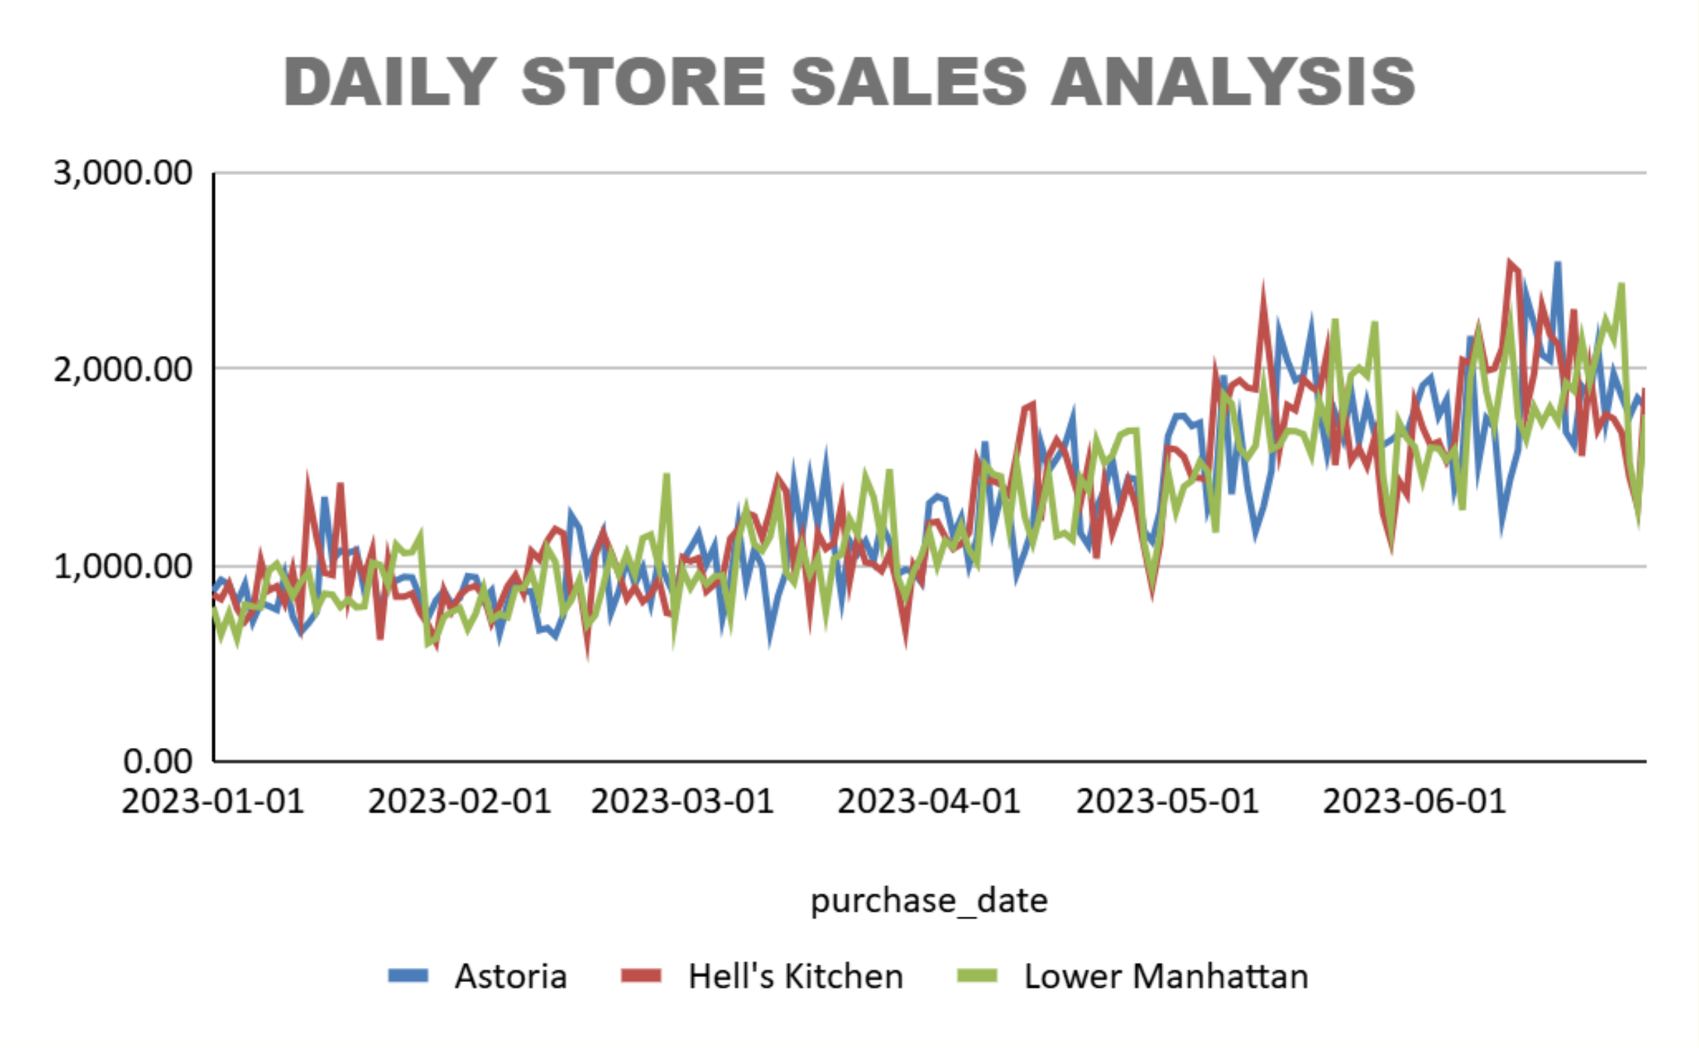
REVENUE ANALYSIS | WEEKDAY VS WEEKEND SALES

BEANLY BREWS CO

Insights: Coffee sales demonstrate a noticeable increase over weekends compared to weekdays.



DAILY REVENUE ANALYSIS | STORE LOCATION

BEANLY BREWS CO.


Insights: Sales growth is relatively slow at the beginning of the week but accelerates toward the end of the week, with an approximate increase of 58% across the stores.
